---

## Version 8.1.0

- Released as the following function update and bug fix in May 2017

### ■Function updates

1. Drag and drop export from HandyShare to Web browser or other windows.
2. Ability to rename files in the Library.
3. Enhanced start/end time display improves editing of trim points.
4. Ability to delete selected files by right-click-context menu.

### ■Bug fixes

1. With some movie file rewind to top button doesn't work.
2. Fixes an issue where some movies don't playback to the end.
3. During playback, repeatedly double-clicking position slider causes the slider to stop.
4. Stability enhancements.
